

PE and Sports Premium Funding Strategy 2019/20

Lymington Infant School

The PE and Sport Premium is additional funding from the government for primary school sport provision. The money is to be spent on improving and enhancing the quality and opportunity in sports provision for all children in our school.

Through the spending of this money it is the intention of Lymington Infant School to implement the following activities/training opportunities across the school to improve outcomes for all. These strategies will be reviewed and further activities/training identified and implemented as appropriate.

Lymington Infant Schools Sport Premium funding allocation for 2019/20 is £16,000 + £1,800 (£17,800)

What ...?	Why ...?	Cost ...?	What will the impact be...?
Membership to Preistlands sports partnership.	Local competitions to provide as many children with opportunities to develop in competitive situations. Links with other schools and growing partnership that is developing long term goals.	£1133	More children will have the opportunity to participate in competition as we can walk without the cost of transport. An increased range of schools to compete with, stronger links among local schools. Opportunity for PE leader to meet with others and discuss and network ideas.
School Mini bus	To be able to access all competitions, sporting festivals and extra-curricular opportunities, which we have turned down in the past.	£2,000	By joint leasing the minibus with the junior school we will develop links with them. More children will access sporting activity. We will be able to attend more regularly and be seen out in the community as the bus will be branded.
Running of bus	To cover cost of shared petrol, insurance and tax.	£1000	
Training for staff member to drive the minibus.	D1 Mini bus driver training – (2 day course and test). So that we are	£675	

	able to send a member of staff to drive our bus.		
'Reach up' provision for groups of children across the school. 2 x weekly half hour sessions.	To target children who otherwise would not access this kind of additional activity. There will be a focus on those children who need to develop reflection skills to support with everyday learning.	£900	Children will recognise there are a broader range of sporting activities and will be able to participate with increased concentration and enjoyment.
Lunchtime skipping delivered by LSA	To develop children's sustained physical activity.	£315	Some children more active and engaged in exercise.
Tournament Fund – to cover cost of entering any NFSSP tournaments throughout the year.	To enhance the competitive opportunities provided for a range of pupils.	£500	Increased participation in a wider range of competitions. More pupils will enjoy the challenge of training for the competitions. Teams and individuals will be competitive and successful in the competitions. Experience a range of different venues.
Additional staff training fund – to cover the cost of any CDP arising throughout the year.	To allow staff the opportunity to self-assess and request CPD support.	£1000	Staff will identify areas for own development and access appropriate support. Improvement in delivery of PE curriculum and outcomes for children.
Supply cover needed when staff out on CPD or tournaments.	To allow more staff the opportunity to experience competition.	£800	Staff will have a greater understanding of the competition process meaning more confidence in supporting children in their learning.
Visit from a local Olympic athlete – School Talk and class activities throughout the day ?James Foad ?Ben Ainsley ?James Philips ?Kelly Simm	To inspire children to participate in a variety of sporting activity. Encourage children to take up sport generally and encourage them to discover and then pursue their passion.	£500	Increased numbers of children participating in after school clubs. More children sign posted to sports clubs in and around local area.

?Heather Stanning			
Development of playground zoning... – Markings – Equipment to enhance quiet area	To help to combat obesity, improve stamina, fitness and resilience. This will also help to encourage healthy habits and an active lifestyle.	£1000 (approx.)	Children will be more active during playtimes/lunch break. Activities will be more focussed.
