October 2020

A warm welcome to everyone!

For those new parents/carers joining this year, Friends of School (FoS) are a small and friendly group of parents who work hard to raise funds to benefit our children's education and learning. We support specific projects within the School and contribute towards equipment. Last year Friends of School raised funds for Elspeth's stage, waterproof clothing for the children as well as funding of the year 1 Wild Wood sessions and the cost of coaches that take our children on educational day trips.

2019/20 - we raised a fabulous £3,636

Thank you to everyone who bought cakes, sponsored events and spent money at our fairs.

If you would like to help with Friends of School, please find us for a chat or email one of the trustees, details below. There is no commitment unless you want to, but we always need help and welcome fresh ideas!

Due to the Corona pandemic, this year will see additional challenges to how we raise money for our school with usual activities like Christmas fairs and movie nights not being possible.

We have our thinking caps on, and hope for your continued support of the activities that we are able to do. Please remember the funds raised directly enhance your children's school experience.

Have you got any suggestions or ideas then feel free to get in touch. Details found below!
