Google Classroom Home Use Agreement

The purpose of our Google Classroom is to provide a safe and secure place to receive and share learning, and a place to connect with school staff and classmates. Google Classroom is accessible from any digital device with internet access and a web browser. Parents/carers can login and view the assignments that have been set, whether their child has completed and submitted them, and any feedback that they may have received.

Parents/carers and pupils are expected to read and adhere to the points outlined below.

Responsibility:

• Check Google Classroom regularly to view updates from your class teacher and to access additional learning resources (e.g. phonics videos to support with practising at home). In the event of a bubble closure, check Google Classroom every day to view new assignments.

• Complete your learning online by either completing it on a digital device, using Google apps, or by doing it in your book/on paper and submitting a photo of it (or other file, such as video or sound clip, if required).

• Complete the learning provided to the best of your ability.

• Remember to submit learning by clicking 'Turn in' on Google Classroom.

• Check and respond to any feedback you may have received from school staff.

Safety:

● Do not share personal information such as e-mail, home address or phone number.

● Only login using your own username/login and password.

● Ask permission of a parent/carer when accessing content on different websites or apps.

● When submitting images, sound clips or video, make sure that these are appropriate for the learning task. Check with you parent/carer if you are unsure.

Respect:

● Be polite, friendly, and encouraging in any communication with school staff and other pupils.

● Send polite and responsible messages and think carefully about how online messages affect others.
