

# HAMPSHIRE PARENT CARER

NETWORK

enabling voices to be heard

HPCN offers parent carers of children and young people aged 0-25 with any additional need or disability (diagnosed or not) the opportunity to tell the Local Authority, Health and other services, what life is really like.

## Get Togethers

Parent carer sessions.  
Offering an opportunity to share your experiences and ideas with other local families.  
A SENDIASS Worker attends every session

## Future in Mind

Mental Health focused parent carer sessions, in collaboration with the Child and Adolescent Mental Health Service.

A CAMHS Clinician attends every session

## Events and Workshops

HPCN works co-productively with organisations and agencies, in order to share information and offer our feedback.

## Sharing our voice

HPCN Reps are invited to attending strategic meetings with the Education Dept, Health, Childrens Services and other services to share our lived experiences.

All of our members can also share their lived experience through Surveys
