

Home Learning Project

Create your own 'Untiled' Recycling Sculpture!

We would like you to create a sculpture inspired by Eddie Martinez. Find 5 facts about this famous artist. Then explore recyclable materials of your choice and consider how you join these together. Finally create your masterpiece. You can find out more information on Google Classroom.

Please bring into school by
Friday 20th May 2022

waterwise

Science

Find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.

How long does a stem need to be before it produces leaves and is it the same for all plants?

Computing

Use technology respectfully. Identify where to go for help and support when they have concerns.

Purple Mash Activities

Plants: Labelling and Growing
Writing: Recycling Poster
Recycling: Can you design your own recycling symbol?
Time: Mixed Activities
Measure: Longer or Shorter/ Tallest and Shortest

English

Fiction: 'Tidy' Narrative
Contemporary Poetry: 'Litter Lout'

P.E

Real Gym: Counter Balance in Pairs (Creative Skills)
Athletics

Geography

Human and Physical Geography
Identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles

Music

Forest Chant: Dynamics, Timbre, Playing, Notating, Rehearsing and Performing
Charanga: Friendship Song
Style: Pop

Maths

Measurement
We will be exploring:
Time, length and height.
Consolidation of calculations.

HeartSmart

Fact is a Mistake-To help construct, and agree to follow, group, class and school rules and to understand how these rules help them

Please discuss the meaning of these topic related words with your child. This will help your child to access and understand the learning for this half term.
