

Our first theme in Reception is 'Marvellous Me' and we will be learning all about our school, class, families and friends!

As we settle into school life we will be exploring our school environment, developing our independence and getting to know our school routine. Dough Disco, which we will take part in every morning, will be an important part of our school routine. Dough

Disco will help us to strengthen all the important muscles in our body that are needed to hold a pencil and to write.

As part of our 'Marvellous Me' learning, we would like to ask you to work with your child to decorate a box. Please could you help your child choose three items to put in their special box and discuss why they have chosen these items. Please send your child to school with their special box on Tuesday 20th September.

Family Celebration

We would like to invite our families into school to celebrate and share what the children have been learning this term.

Puffin Class Celebration - Tuesday 18th October at 2.30pm.

Penguin Class Celebration - Wednesday 19th October at 2.30pm.

My body: I can build strong muscles in dough disco, moving things around and sweeping up!

My School: Places in my school, people in my school, school routines and values. The school day, playtime, celebration worship.
